

"Gosh! How my back aches!" After Grip, "flu" or colds, the kidneys and bladder are often affected—called nephritis, or inflammation of kidneys. This is the red flag of danger—better be wise and check the further inroads of kidney disease by obtaining that wonderful discovery of Dr. Pierce's, known as Anuric (anti-uric-acid), because it expels the uric acid poison from the body and removes those pains, such as backache, rheumatism in muscles and joints. Naturally when the kidneys are deranged the blood is filled with poisonous waste matter, which settles in the feet, ankles and wrists; or under the eyes in bag-like formations.

Springfield, Tenn.—"I write a few lines to say that Dr. Pierce's Anuric Tablets gave me prompt relief. I consider them a great remedy for kidney trouble. My back doesn't hurt at all and there is no burning or smarting as before. When I had used up the trial package my druggist didn't have the tablets in stock so ordered a bottle from Nashville."—G.W. HEAD, Rt. 4, Box 34.

### Alligators and Crocodiles.

Fourteen feet is about the limit of length for an alligator, but the crocodile is a much larger animal when full grown, specimens 30 feet long being not uncommon. Crocodile eggs, which have hard shells and look like goose eggs, are considered good to eat in the tropics.

### HOW IS YOUR COMPLEXION?

A woman should grow more beautiful as she grows older and she will with due regard to baths, diet and exercise, and by keeping her liver and bowels in good working order. If you are haggard and yellow, your eyes losing their lustre and whites becoming yellowish, your flesh flabby, it may be due to indigestion or to a sluggish liver. Chamberlain's Tablets correct these disorders. (adv)

### Bound to Get His Share.

Little five-year-old Willie was invited to a birthday party. On his return home his mother was surprised to see him take two big pieces of cake out of his pocket. When asked for an explanation Willie replied, "Mamma, I could not eat much because my stomach was full, so I brought some things home."

### Business of Criticism.

Its business is simply to know the best that is known and thought in the world, and, by its turn making this known, to create a current of true and fresh ideas. Its business is to do this with inflexible honesty, with due ability; but its business is to do no more, and to leave alone all questions of practical consequences and applications—questions which will never fall to have due prominence given to them.—Matthew Arnold.

## Unusual Value—In Tires for the Smaller Cars

Not only is characteristic Goodyear merit conspicuous in Goodyear Tires for the smaller cars, but ordinarily the first cost is found to be not greater than that of other tires; often it is actually less.

The combination of unusual value in first cost and very low final cost, of course, is a result of Goodyear experience, expertness and care employed as insistently in the making of 30x3-, 30x3½- and 31x4-inch tires as it is in the construction of the famous Goodyear Cord Tires used on the highest-priced automobiles.

For this reason more cars using these sizes were factory-equipped last year with Goodyear Tires than with any other kind.

Get this unusual tire value to enjoy on your Ford, Chevrolet, Dort, Maxwell, or other car using one of these sizes, at the nearest Goodyear Service Station. Get these tires and Goodyear Heavy Tourist Tubes at this station.

30x3½ Goodyear Double-Cure  
Fabric, All-Weather Tread..... \$2350  
30x3½ Goodyear Single-Cure  
Fabric, Anti-Skid Tread..... \$2150

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water—\$450 proof bag.

### HOW DIPHTHERIA IS CONTRACTED

One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diphtheria germ. If your child has a cold when diphtheria is prevalent you should take him out of school and keep him off the street until fully recovered, as there is a hundred times more danger of his taking diphtheria when he has a cold. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted. (adv)
